

Exploring Postsecondary Education Options

REOURCES FOR GETTING STARTED!

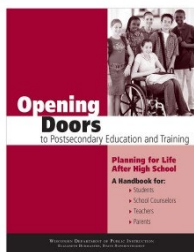

Postsecondary Education & Training Preparation Toolkit

This [toolkit](#) created by [NTACT](#) guides participants through a wide array of **opportunities**, **services**, and **programs** in PSET settings.

This toolkit is intended for:

- Student with a disability
- family member
- service provider
- educator of a student with a disability

Use this resource to consider options and plan for **PSET access** and **success!**

Opening Doors to Postsecondary Education and Training Handbook

This [handbook](#), developed by the [Wisconsin Department of Public Instruction](#), helps students identify **strengths**, **preferences**, **supports**, and **resources** needed to be successful after high school.

Online Transition Portfolio

The Center for Change in Transition Services' *T-Folio* is a **free, online transition portfolio** for high school age youth with disabilities. It guides youth in **exploring, identifying, and planning** for their desired post-school goals.

The T-Folio comes with **built-in support!**

- grab-and-go **training presentation**
 - **lesson plans**, complete with a **guide** for each unit
 - Online or printed **lesson activities**
 - tool to help students **track their documents**
-

HIGHER EDUCATION EXPLORATION

Think College

Based at the [Institute for Community Inclusion](#), **Think College** is your **one-stop-shop** for finding **inclusive higher education resources**.

Below are a few of our favorites!

- [Find the college that is **right for you!**](#)
 - [Understanding the **Differences** between High School and College](#)
 - [Checklist for Students and Families Exploring Postsecondary Education Options](#)
 - [IEP Goal Bank - Transition goals & Activities for Inclusive Postsecondary Programs](#)
 - [Foundation Skills for **College and Career Learning Plan**](#)
 - [Resources for **families**](#)
-

BigFuture

College Board's [BigFuture](#) connects students to college success by providing supports focused on ensuring access.

- [Build a **Support Network**](#)
 - [Finding Your **College Fit**](#)
 - [Paying for College](#)
 - [Educator Resource Center](#)
-

Virtual College Tour

Wanting to **take a tour of a campus** while on break? [Campus Tours](#) allows you search and take tours of colleges of interest **while at home!**

PROFESSIONAL DEVELOPMENT OPPORTUNITIES

Interagency Collaboration: The Groundwork Online Module

The new [Transition Coalition module](#) provides **examples, strategies** and **tools** to **strengthen collaboration** and **build an interagency team**. You can:

- Learn from vignettes and case studies
- Gain strategies for recruiting team members
- Upon completing the module, you will receive a digital training certificate.

Need more information for CEUs? Contact us at transition@ku.edu.

Need help finding transition professional development resources? Try using the latest EBP-DIY (Evidence-based Practices, Do It Yourself) - [**TRAIN: A Collection of Professional Development Materials.**](#)

It is an organized list of **ready-to-use** and **extendable resources** from NTACTION, Transition Coalition, and TransCen, including:

- Presentations, modules, and webinars
- Compilation of topics
- Guides and frameworks
- Data collection
- Effective practice resources
